Dear Freshman and Returning Parents,

We want to welcome you to your first year or returning year. We are excited to have all the new faces this year and are very glad to have everyone, both old and new. For the band to be successful and the kids to stay top notch, we need parents to help. In the weeks and days to come, the band will need all the volunteers possible. There is always something that needs to be done and it is only possible with your help. The current needs are:

- This week and next we will need help with getting the students water during their breaks so they don't get overheated.
- Once school starts, the band will practice after school and the band boosters provide water then as well.
- When football games begin, we will need volunteers to work in concessions, chaperone, as well as help in many other areas.
- During basketball season, we need help with fundraising, merchandise sales, silent auction, spring programs, and concessions.
- Please feel free to jump in ask where or what you can do to help or seek an area that may interest you.

WE NEED YOUR HELP!

Please sign up for important band updates and information in any or all of the following ways.

- Sign up for **Remind Me** for you and your student at: <https://www.remind.com/join/westhighba> Be sure to put parent name or students name and the appropriate phone numbers. This app will send you text messages with information pertaining to the band like reminders and departure times from away games for faster parent pick up.
- Go on Facebook and ask to join Morristown West High Band Boosters. Here you will find photos taken by a variety of people, information on upcoming events and band accomplishments. Feel free to submit posts or ask questions.
- Visit the West High Band Website at www.mwhsband.com. You will find links to sign up to help with concessions, information about ordering band related merchandise, photos and much, much more. You may also sign up for email notifications on the band website. You will also find a link to **Remind Me** on the homepage

Thank you,

Dana Brandon and Michelle Bolling
