

**Morristown West High
Band Boosters**

2019-2020

THE MWHS BAND BOOSTERS is a volunteer parent group, in partnership with the band director and school administration, which provides support for our marching band, concert band, and flag corp. The boosters raise funds to bridge the considerable gap between the school district budget and the needs of our band program. Some of the items we provide includes the cost of sheet music, uniforms, instruments, repairs, transportation, equipment, and other classroom materials. We are involved in many fundraising efforts to make these things possible.

THE MISSION OF THE MWHS BAND BOOSTERS:

The MWHS Band Boosters seek to maximize the social and educational benefits of the Hamblen County school band program. Through the support for performances, competitions, activities, and achievements, we feel it is our important role to keep school administration and county decision makers informed about the positive impact to a student's overall education when it includes participation in an excellent music program.

The Band Boosters are therefore committed to making those same benefits affordable for all band students so they may participate and enjoy the benefits of band membership. We pledge to promote a spirit of fellowship and goodwill with all areas of the school and always encourage our students to be the best ambassadors possible for Morristown West High School.
